A person attempting to sell regulated material to a metal recycling entity shall:

(a) Present written documentation evidencing that the person is the legal owner or is lawfully entitled to sell the regulated material or

(b) Sign a written statement provided by the metal recycling entity that the person is the legal owner of or is the lawfully entitled to sell the regulated material offered for sale. Tex. Occ. code Sec. 1956.032

Description, Type and Quantity of the regulated material being sold:

By signing this document you are declaring that you are the legal owner of the material or you are otherwise entitled to sell the regulated material described above.

Sellers Signature: _____

Date: _____

False Identification or False Information:

It is criminal violation to knowingly provide false identification or information to a metal recycling entity or knowingly record information known to be false in the entity's records. A violation is a class A misdemeanor, unless the defendant previously has been convicted of failure to comply with identification or recording requirements or buying or selling stolen regulated material, in which case the offence is a state-jail felony. See Tex. Occ. Code 1956.038.

Tampering With Governmental Record

A person commits an offense if he/she knowingly makes a false entry in ... a government record. Tex. Penal Code Sec. 37.10 (a)(1). A violation of this provision may be prosecuted as a second degree felony under certain circumstances.
